

Dear Customer

Lord Roofing & Ground Works Ltd
Unit 1b Dean & Chapter Industrial Estate, Ferryhill, Durham, DL17 8LN

Please accept this letter of introduction as confirmation that Lord Roofing & Ground Works Ltd is a member of the Confederation of Roofing Contractors register of reputable businesses and has passed stringent vetting procedures, prior to acceptance for membership.

The Confederation of Roofing Contractors vetting standards include the following:

1. Legal and financial checks to investigate the company's stability. Only those businesses whose ratings are satisfactory are accepted.
2. Reference checks from previous customers and scores for quality, timeliness, value for money and courtesy. Should the customer references not meet our criteria the application is refused.
3. All registered companies are subject to an independent inspection to verify they are operating their business to acceptable standards of quality, safety, care and value.

The aim The Confederation of Roofing Contractors is to give you the customer peace of mind and to take the worry out of finding a reputable Roofer.

We therefore have no hesitation in introducing Lord Roofing & Ground Works Ltd as a reputable company with a proven standard of workmanship. They can also offer you Insurance Backed Guarantee (IBG) to protect your financial investment, rather than just a personal or letterhead guarantee - which offers no protection should a business cease to trade.
